D E C L A R A T I O N

S I R :

I, SAMUEL BOGOCH, declare and say that:

1. The invention described and claimed in the above-identified application Serial No. 922,799 was made and conceived solely by me as part of an ongoing research and development project relating to my discovery of novel compounds, known as RECOGNINS, which are the subject of additional U.S. applications filed by me and from which the present application Serial No. 922,799 derives, some of which applications already have issued to patent, i.e., U.S. Patent Nos. 4,195,017 and 4,196,186.

2. The invention described and claimed in application Serial No. 922,799 was made and conceived solely

K  
JAN 26 1981  
from

by me utilizing funds, materials and facilities obtained on my own behalf and no part of said invention was made or conceived in the course of any contract, subcontract or arrangement entered into with or for the benefit of the Atomic Energy Commission, the Energy Research and Development Administration or the Department of Energy.

I hereby further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18, United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Samuel Bogoch  
SAMUEL BOGOCH

Dated: January 12, 1981.
